

Mepilex® Heel

SafetaC
TECHNOLOGY

BENEFITS OF MEPILEX HEEL WITH SAFETAC TECHNOLOGY

- Convenient shape perfect for heel wounds
- Minimizes the risk of maceration
- Atraumatic to the wound and surrounding skin on removal
- May remain in place for several days depending on the condition of the wound
- Promotes patient comfort during wear and minimizes pain upon removal
- May be used under compression bandages
- May be lifted and adjusted without losing its adherent properties
- May be cut to size

WEAR TIME: Up to 7 days
